2-Man Best Ball Invitational, June 18

Match Play Tournament, Throughout the Month

Invite A Friend

The annual 2-Man Best Ball Tournament is being held on June 18. As the name clearly states, this is an invitational, so call up a friend or relative and bring them along for the fun. It is also permissible to have a member of the Men's Club as your partner. The scoring is Best Ball and will be played from the white tees. There is a maximum of 7 strokes differential between team partners. That means if Partner A has a handicap of 6 and Partner B has a handicap of 18, then Player B's handicap will be adjusted to 13. Players without a GHIN handicap will have to use a 0 handicap.

Sign up at the Pro Shop. If you can't find a partner, they will do their best to find one for you.

Match Play has finally begun. It will continue throughout the month, and on through July. Qualifier brackets were posted in the Hacker's hallway, and the first matches are slated to be completed by June 8.

One More Time on the Rock Rule

It was requested that the Madrona Rock Rule be explained again, so that everyone is using the same rule when playing.

The Board has adopted the following rule:

If your ball is in a rocky area, you may mark the spot, then pick up the ball then, keeping the ball marker in a straight line between you and the flagstick, walk back out of the rocky area. Once out of the rocky area, drop your ball and continue play.

This does NOT allow for the use of a club length for relief. Relief should be taken by moving away from the flagstick.

Congratulations

Now that the sun has come out, so have the golfers. Lots of noteworthy things for this month’s edition.

Monty Waggoner shot a 78, one stroke below his age, from the white tees.

Pete Mitchell shot his age (80) once, and a 76 from the white tees.

Tony Cannizarro eagled 15 from the blue tees.

Karl Denison eagled number one twice and number 15, all from the white tees.

Les Barnett continues to shoot his age over and over again.

John Bahm shot his age (82) from the whites.

Jerry Welch aced number 17 from the whites.

If you have something you want to let people know about, send an email to madronadriver@gmail.com, or leave a note at the Pro Shop desk.

Guidelines for Cart Use

The grounds crew requests that you help keep Madrona green by observing a few guidelines.

Avoid driving in obvious muddy areas.

If the wheels of your cart start to spin, do NOT try to power through it, back up and try another route.

Keep carts at least 10 yards away from the green, this includes areas at the back of the green.

Control your speed when going downhill.
