## Let's Hope for Good Weather

As always, October brings lots of events to help close out the traditional golfing season. We want to get as much golfing done as possible before the rains come in earnest. As a result, there are four events going on in October. Three are Men's Club events, and the fourth is sponsored by Madrona Links.

Event one is the 6-6-6 Medley. This is a two-man team event, played from the white tees. Each team plays three different formats over the course of eighteen holes. This year it is six holes of Chapman, six holes of best ball, and six holes of combined score.

Event two is the Madrona Links sponsored Ken Tyson Open. This event is a four-person scramble with a shotgun start at 9 AM. The entry fee is \$90 per player, and that fee includes breakfast with complimentary screwdrivers and bloody Marys as well as lunch after golf. Also included is the skins game. Entry forms are available at the Pro Shop desk, or online at [www.Madronalinks.com](http://www.Madronalinks.com). If you don't have a team, you can sign-up as a single and they will try to find a team for you.

Event three is our final Field Day of the year. This will be golf, followed by dinner and the annual Men's Club meeting. This year the golf will be two best ball rather than the team scramble that we normally have. Teams are five players, and will be determined by the computer. All teams will have an "A" player.

The annual meeting occurs after golf, and this year there will be voting for new members of the Board, as well as a vote on changes to the By-Laws of the Men's Club. The proposed By-Laws changes are being sent to members along with this month's Driver. They will also be posted in the Clubhouse. Please read the changes so that you can make an informed vote.

Our fourth event of the month is the ever-popular Tombstone. This tournament is a individual event, so you won't need to find a team. Each player plays regular golf from the white tees. At the turn, players will pick up their "tombstones." The tombstones will have the player's name and the number of strokes they are allowed before they "die" and have to plant their tombstone. The number of strokes is based on par (71 strokes) plus a portion of the player handicap. It is a tournament where you are truly your own competition.

Sign up in the Pro Shop.

**By-Law Changes**

A quick summary of the By-Law changes follows:

The Secretary/Treasurer will become an annually appointed position and he will be a non-voting member of the board.

The annual meeting will take place at the November tournament, rather than at Field Day.

We will no longer appoint TGA representatives.

An e-mail option for voting will be added to all elections, except for By-Law changes.

Please take a look at the By-Law Document that is being sent along with The Driver to read the full details.
