

Dear Madrona links Customers

Most of you already know me but for those of you who do not. My name is Scott Diaz for the past 2 years I have been one of the full time Pro Shop Assistants. As of the first of the year I have decided to pursue a career in the golf teaching world. This has been a life time goal of mine and with the support of Ryan Turney and Matt Stutsman I am taking this leap. I have a good background in the game of golf both on a player's competitive side and a teaching side. I have been playing the game since the age of 7. After High school I got a job working at a local driving range where I shadowed under some of the best instructors in the area. I also had the opportunity to play in many amateur events in the area along with state qualifiers and some college golf. I look forward to this new adventure and the opportunity to help others better enjoy the game we all love.
