## Men's Club Tournaments and September Events

**2-Man Medley (6-6-6) , September 18**

**Gig Harbor City Amateur, September 25, 26**

---

### **September Excitement**

Once again we have two competitions scheduled for this month. One set up by and for the Men's Club, the other is a production of the Madrona Links Staff, and is open to all.

The September 18th Men's Club event is the 2-Man Medley, also known as the 6-6-6. This competition played from the white tees and includes three formats, each played for six holes.

The first six holes will be scored as best ball, so only the better of the two players scores will be used.

The second six hole will be a Chapman format. In the Chapman format, each player hits a tee shot, the Player A goes forward to hit Player B's ball while Player B hits Player A's ball. One of the resulting shots is chosen as the ball in play, and players alternate hitting the ball until it is holed out. This is repeated on each of the six holes.

The final six holes will be the combined scores of both players. Traditionally these final six holes are the downfall of many teams.

There is a seven stroke handicap differential limit, so if two players have handicaps more than seven strokes apart, the higher handicap will be adjusted downwards to meet the seven stroke limit.

Sign up in the Pro Shop. If you don't have a partner you can sign up as a single and they will do their best to find one for you.

The second event of the month is the Annual Gig Harbor City Amateur. This is a two day tournament (September 25 and 26) put on by Madrona Links, and is open to anyone with a GHIN handicap index. It is individual play from the Blue Tees. 1/3 of the field will be awarded prizes, so everyone has a great chance of winning something. The top prize is \$750 each for the Gross and Net Champions.

The entry fee is \$150. That covers the tournament play, one practice round, tee prize, two meals (one each day) and two drink tickets.

Entry forms are available at the Pro Shop Desk, or on the Madrona Links website ([www.madronalinks.com](http://www.madronalinks.com)).
