

# SPRING INTO SUMMER

## 2021 MATCH PLAY TOURNEMENT

Signups are now being accepted for the 4th annual Spring into Summer Match Play Tournament. There is a \$5 entry fee for the qualifier only. Qualifying will be based on your best 2 of 3 qualifier rounds. These rounds may be played anytime between March 1st and April 18th. You must inform the Pro shop you are playing a qualifier round before teeing off. You cannot play alone. You must turn in a scorecard to the Pro Shop following your round and it must be signed by you and one other player from the group. Designate on the card which tees you played. These rounds may be played simultaneously with weekend choose up rounds, Wednesday groups or Phat Heyseuss competitions if needed. The low 64 qualifiers will be notified they have made the cut and will have until April 25th to pay their \$40 tournament entry fee. If a player fails to submit his entry fee by the April 25th deadline we will move down the list of qualifying scores for entries. Those players will be notified and will have 3 days to submit their entry fee. This process will be followed until we have 64 **PAID** entrants at which time seeding will be posted in the hallway as in the past.
